RE: Project IM-NH-STP-84-2(051)51, Key No. 6492; I-84 Orchard IC to Gowen IC

Dear Ms. Lowe:

The FHWA has determined that this project will have no significant impact on the human environment. A Finding of No Significant Impact (FONSI) for this project has been made and is enclosed.

Our FONSI determination has been made in accordance with 23 CFR 771.121 and is based upon the July 13, 2007 Environmental Assessment (EA) and supporting documentation, the Environmental Evaluation Summary attached to the FONSI and the public input received.

Please send a notice of availability of the FONSI to affected Federal, State and local agencies.

If you intend to invoke Limitation on Claims for Judicial Review of Actions by FHWA, USACE and Other Federal Agencies that are final within the meaning of 23 U.S.C. 139 (l)(1), please submit to us the required notice for transmittal to the Federal Register.

If you have any questions, please contact Ed Johnson at (208) 334-9180, ext. 116.

Sincerely,

(original signed by)

Peter J. Hartman
Division Administrator
